Independent Day of India Celebrations

High Commission of India will be celebrating the Independence Day of India on 15th of August 2015. The High Commissioner will hoist the tricolour at 0900 hours at the Chancery premises (97, Nelson Mandela Avenue, Windhoek). All Indian nationals and persons of Indian origin are cordially invited. Request to assemble at 0830 hrs.

High Commissioner of India presents credentials to the President

High Commissioner of India Mr Kumar Tuhin, who arrived in Windhoek on 26th July 2015, presented his credentials to H.E. Dr. Hage Geingob, President of the Republic of Namibia at a formal ceremony held at the State House in Windhoek on 29th July 2015.

The High Commissioner had a tête-à-tête with the President which was marked by warmth and cordiality. He also met the Deputy PM and Minister of International Relations and Cooperation Hon. Netumbo Nandi-Ndaitwah during the ceremony.

Namibian leaders condole death of former President APJ Abdul Kalam

Following the demise of former President of India, Dr. APJ Abdul Kalam, the High Commission of India opened a Condolence Book at the Chancery premises on 30-31 July 2015.

Representatives of the Namibian Government and members of the Diplomatic Corps signed the book. Vice-President of Namibia H.E. Mr. Nickey Iyambo, accompanied by Deputy Prime Minister & Foreign Minister Hon. Netumbo Nandi-Ndaitwah, visited the Chancery and met with the High Commissioner to express profound grief and condolence on the demise of President Abdul Kalam.

Earlier on 28th July, the High Commissioner paid a courtesy call on Hon. Netumbo Nandi-Ndaitwah, Deputy Prime Minister and Minister of International Relations & Cooperation.
Screening of a documentary on ISRO

The High Commission is partnering with Namibia Scientific Society in screening of an inspiring documentary film on the Indian Space Research Organization "The Sky is Not the Limit". The film charts the journey of the space research programme in India, and details how dedication and commitment of Indian scientists has enabled India to become a space powerhouse, excelling in space science and research as well as applied space technology.

Date/Time & Venue: 24 August 2015, 1900hrs, Namibia Scientific Society, 110 Robert Mugabe Avenue Windhoek (Opposite FNCC/National Art Gallery, safe parking inside yard off Love Street Entrance)
