**Indian Business Delegation visits Namibia in search of Trade, Business and Investment Partnerships**

A 14-member business delegation from India will be visiting Namibia from 18-22 October 2023. The visit is being coordinated by the India Economic Trade Organisation (IETO) and the delegation is being led by Dr. Asif Iqbal, President of IETO. This is the fourth business mission to Namibia undertaken by IETO in three years. The frequent visits by Indian business delegations is a testimony to the importance attached to further expanding bilateral commercial and economic cooperation between India and Namibia.

The delegation represents a wide range of sectors, including mining, agriculture, hospitality & tourism, perfumes & cosmetics, scrap, textiles, IT solutions, trading, pharmaceuticals & medical equipment, construction, film production, paper and plastic, aquaculture, education etc. The primary objective of the visit is to interact with the relevant stakeholders, explore business opportunities and hold business-to-business meetings towards forging trade, business and investment partnerships.

Bilateral trade between India and Namibia has seen an upward swing in last couple of years and there is significant scope for further deepening the economic engagement. The visit of this business delegation is yet another step in realizing that objective. The sectors of focus of the visiting delegation outlined above represent areas of mutual opportunity.

During the course of its visit, the delegation members will hold discussions with the Namibia Investment Promotion Development Board (NIPDB), Chamber of Mines, Namibian Chamber of Commerce and Industry, India-Namibia Chamber of Commerce and Industry and several other Namibian authorities as also industry and businesses. Business to business meetings and an interaction has also been organised for the Namibian companies to meet the Indian delegation on 19th October 2023 at the High Commission of India from 1000 hrs (Venue: 97, Nelson Mandela Avenue, Klein Windhoek).
