Indian Government donated IT equipment to Namibia

During the State visit of the President of the Republic of Namibia, to India in 2009, a grant-in-aid of US$ 10 million was announced for the health and education sector of the Government of Namibia. In consequence of the announcement, the Government of the Republic of Namibia requested to supply and installation of certain IT related equipment for utilization of the US$ 5 million grant in the health sector. Accordingly the following IT equipment have been donated by the Government of India to the Government of Namibia for implementation of a computerized system (E-health System) in all the hospitals and clinics across Namibia:

i) 1621 Desktop computers (Dell Optiplex 7020 + E Series E 2014H)
ii) 60 Workstation Computers (Dell T1700 + E Series E2014 AH)
iii) 7 Laptop Computers (Dell Latitude 3450)
iv) 41 type-1 Label General Document & Report Printer (Epson DFX-9000)
v) 41 type-2 Label General Document & Report Printer (Epson LQ-2090)
vi) 9 Laser Jet Printers (Lexmark MS312DN)
vii) 1 Scanner (Epson V37)
viii) 3 LCD Projectors (Epson EBX-03)
ix) 41 UPS (being sent separately)

2. A formal ceremony for handing over / taking over the equipment was organized by the Ministry of Health and Social Services of the Republic of Namibia on 12th February 2016. The event was attended by Hon. Dr. Benhard Haufiku, Minister of Health and Social Services, Hon. Julieta V. Kavetuna, Deputy Minister, Ministry of Health and Social Services, Dr. Andreas S Mwoombola, Permanent Secretary, Ministry of Health and Social Services, Government of the Republic of Namibia, H.E. Mr. Kumar Tuhin, High Commissioner of India in Windhoek, Officials from the Namibian Ministry of Health and Social Services, and Media representatives, among others.

3. In his address, Hon Minister of Health and highlighted the continued friendly and strong relations between India and Namibia, marked by trust and mutual understanding. He recalled the landmark visit of H.E. Dr. Hage G Geingob, the President of the Republic of Namibia, to India in October 2015 for the 3rd India-Africa Forum Summit and his discussions with Prime Minister of India Mr. Narendra Modi, which have laid a strong foundation for further strengthening of bilateral cooperation in several areas. The High Commissioner mentioned that exchanges and interactions between India and Namibia are expected to intensify this year. A few photos of the events are enclosed.
